

STACY'S CURE-ALL

Written by

Sydney Hatfield

INT. HOSPITAL ROOM - DAY

A PATIENT lays in a hospital bed. To the side, a LOVED ONE sits in a chair, wearing chefs clothes. A NURSE is taking vitals on the patient.

The patient beckons the nurse closer.

PATIENT  
(Weakly)  
Come closer.

The nurse gets closer to the patient.

PATIENT (CONT'D)  
Where did you get your scrubs?

The nurse takes a step back.

NURSE  
(Surprised)  
I got them from Stacy's Uniforms.

LOVED ONE  
Oh! That's where I got my chefs  
uniform.

The EKG flatlines. The Loved One and Nurse look at the Patient in shock.

The patient stands next to the EKG with wires in their hand.

PATIENT  
(With vigor)  
Let's go to Stacy's!
